RLCraft

image.png

RLCraft is a meticulously curated survival-focused modpack! It features over 100+ Mods and is fine-tuned for immersion, and presents a challenging yet rewarding gameplay experience with a twist on survival mechanics, resource gathering, progression, and exploration. It overhauls the standard Minecraft experience to add a layer of realism and increased difficulty, integrating modified recipes, thirst and temperature mechanics, diverse creature encounters, and unique character progression paths.

Changelog

We will keep the changelog up to date as the modpack updates.

> "
> ## Version 2.9.3

Changes:

- Atomic Deconstructor no longer works on Bosses (better balance and avoids some issues)
  Modified internally the way Atomic Deconstructor kills mobs for better compatibility
  Because of the above damage change, Atomatic Deconstructor now allows mobs to drop items
- Stonelings can no longer be CarryOn'd (caused dupe under certain circumstances)
- Parasite Armor (Living & Sentient) now reduce Fear and Viral effects to level 1 (full set required)
- Fixed Magnetic enchantment causing a dupe on SpongeForge servers and changed internal functioning for better performance and to fix memory leaking
- ShieldBreak adds translations keys and es_mx translations (thanks KameiB)
- CarryOn fixed Slime and Magma Cube duplication when picked up (was in Creative only for RLCraft)
- CarryOn fixed bug where dead entities could be picked up
- CarryOn fixed bug where entities and tile entities could be placed in armor stands and item frames
- Lucky Horseshoe can now be reforged with Spectral Silt
- Melon Salad now replenishes 9 thirst
- Fixed Ice Armor having no repair material, can now be repaired and reforged with Ice Chunks
- Added more climbable blocks for the fairy/goblin race
- Fixed Leather Longbow and Leather Crossbow not working for the Questbook

Removed:

- TickProfiler (This mod was only used as a debugging tool and will not effect RLCraft's gameplay)

Updated Mods:

- CarryOn
- ShieldBreak
- RLMixins

Mod List

Mod List Here: RLCraft Mod List

Downloading RLCraft

Enter "**RLCraft**" into the search bar, the modpack will be the first one on the list.

Screenshot 2024-01-11 181907.png
