

What Are Banned Items on SiriusMC?

FAQ - Banned Items

Q: Why is <item> banned?

SiriusMC optimises gameplay for our players, and some more destructive items are banned. These items are banned due to their potential to harm server performance or the economy, or because they may be used to destroy claimed player bases.

Q: How do I know what items are banned?

Use **/banneditems** in-game to see the full list.

Q: What should I do if I think an item should be banned?

If you notice items or mods causing dupe glitches, claim bypassing, or imbalanced gameplay, please create a ticket on our [Discord server](#).
